

Petawawa Grannies to hold "Tea with a Difference"

Many a head turned recently at the Petawawa Library as people passed the Rotary Room.

Jean Ostrom's power-point presentation, laughter and silliness all intertwined with serious preparations for a Grandparents' Day "Tea with a Difference" - the incredible refreshments, the entertainment, the formally clad servers, the colourful decorations, the door prizes and the Jabula Mini-African Market are lined up for an exciting time at the Petawawa Civic Centre on September 12, Grandparents Day, from 2 pm to 4 pm.

Who knew it could be such fun to help raise awareness and money for the Stephen Lewis Foundation?

EVENTS

The lively representatives of the Petawawa Grannies also reported on

the GranAfriCan Conference in Toronto held just prior to the G-20 Conference, discussed their booth at the Dundonald Hall Leisure and Health Fair on September 11, their booth at Fall Showcase, September 17 to 19, the upcoming public Scrabble Tournament being hosted at Heritage Manor, and other plans.

Robert Hanneberry, energetic enthusiast representing the Pembroke Heritage Manor (Allegro), a partner in supporting the Petawawa Grannies' "Tea with a Difference," reported on their active part in the preparations and stayed to join in a misleadingly restrained group photo.

Please direct any questions re the Petawawa Grannies (you don't have to be ancient or a granny to be a member) or the September 12 "Tea with a Difference" to chairperson Jean Ostrom at (613) 687-2053.

You couldn't pick a nicer spot on Saturday morning to sit for a spell, spin your wheels and tell some yarns. Hazel Herriot, in fact, brought her spinning wheel down to the new shelter at Riverbank park to take in the official opening of the project, which came replete with demonstrations by members of the Valley Artisans and the Potters Guild.

POWERSKATE

The Deep River Skating Club is excited to offer the Skate Canada PowerSkate program.

CanPowerSkate is an action-packed, high energy instructional power skating program geared to hockey skaters that focuses on balance, power, agility, speed and endurance.

This is a fantastic opportunity for hockey players at the Novice, Atom and PeeWee levels to experience a program where:

- the emphasis will be on the correct technique of skating so that hockey players "skate smarter, not harder"
- skills, techniques and conditioning drills are taught in a progressive format that emphasizes how the skills apply to game situations
- skating skills will be broken down in order to develop correct muscle memory
- low student/instructor ratio
- instructors create a positive learning environment that is conducive to risk taking and confidence building.

This early fall program will run twice per week for five weeks.

Registration will begin at 6 pm on Thursday, September 2, at 8 Cartier Circle.

For any questions, please contact Katja (584-3227) or Angela (584-2313).

Reverend Andy McKee will lead the service at 10:15 am this Sunday, September 5.

The readings are Luke, chapter 14, verses 25 to 33 and Luke, chapter 12, verses 32 to 48. Andy will speak on "Hasty deal, Painful losses."

Reverend Paul Evans will be back with us on Sunday, September 12.

Our new Sunday School season starts on September 12. Children come to our regular 10:15 am service and then, after "children's time", accompany their teachers to the lower level of the church for their program.

We hope everyone can come to our annual hot dog, salad and dessert lunch in the Christian Education Centre after the September 12 service.

This is not a potluck, so don't bring food, though donations will be accepted to cover expenses. Come and bring a friend or neighbour - everyone is welcome.

Friday coffee mornings start at 10 am on September 10 in the lower level of the church. Men, women and children get together for a cup of coffee, a cookie and a chat with friends.

We invite everyone to come get to know us. For more information, call Ruth Harrison at 584-9376.

The choir will return for rehearsals on Wednesday, September 8 and will be back in church on Sunday, September 19.

They always welcome new members, and interested people can call Wendy Sur at 584-1807.

The church office is closed until September 7. For personal assistance in the interim, please call Reverend McKee at 584-4090 or Lois Freedman at 584-4403.
