

CROWDS ENJOY FINE WEEKEND OF ARTS

LEFT: Carol Grant broke free of the mould, putting her pottery talents on demonstration during "Art on the Lawn", the juried fine arts and crafts show held at St. Barnabas Anglican Church over the weekend. Grant was one of the winners of the show, claiming the title of "Best of Crafts." ABOVE: Tracy Hammond shows some of Alex Emond's artwork to her son, Rupert, as "Art in the Lawn" was held both outside and inside St. Barnabas Anglican Church. BELOW: From left to right, Ray Dickson, Carl Turner, Lawrence Dickson and Orvil Dillenbeck, who make up the St. Barnabas Band, entertained the crowds with some musical medleys.

RCUW to host "homeless" challenge

Twenty-four hours to design, build, and live in a makeshift "homeless" shelter.

This is the challenge Renfrew County United Way (RCUW) is giving county citizens, particularly high school and college students!

Registered teams of three to five people are invited to construct shelters of cardboard and tape and to live in them overnight from Friday, September 14 at 12 pm until Saturday, September 15 at 12 noon in the parking lot of Giant Tiger Pembroke.

These shelters or "homes" will simulate life that a "homeless" person might experience - albeit with food and live entertainment available.

To find out how you can get involved in this amazing experience, please go to the Renfrew County United Way website at www.renfrewcountyunitedway.ca/ and download the application form.

Application forms must be submitted by email to unit-edw@nrtco.net or in person at the United Way office by September 13.
