### NEW PRIEST

Fall is almost upon us as the parents prepare their children to return to school and begin a new chapter in

their school life.

So we too begin a new start with a warm welcome to our new parish priest Fr. T. Sirosky who joined us in July.

Our year 2012 thus far has been a huge success in offering help and assistance to many charities and completing many successful fundraisers to support these causes.

Support was provided in the spring to a needy family in our community to supply heat to their home.

Donations to our local children and family services, the food bank as well as other local charities have kept us all busy.

Many elderly, sick and shut-in members have benefited from our visits and prayers.

### FALL DINNER

Thus begins our fall activities with our fall dinner of a hot turkey buffet being held at the Bear's Den on September 17.

Tickets are now on sale through the religious article room or by contacting June West or Sharon Munro. Early birds get a price discount

before September 10.

Fr. Ryan Holly will be our guest speaker with the topic "Year of our Faith."

On September 29 we will again be hosting our "Pie/Bake Sale" in the town hall lobby just in time for Thanksgiving.

We will distribute pie plates as we did last year to the congregation after the weekend masses (September 22-23).

### GENERAL MEETING

Our first General Meeting on October 1 will be held in the parish hall at 7 pm. Lynne Kelly has offered to speak to us about her experience at the provincial diocesan convention which was held in Kingston this July.

November is fast approaching and the search is on to find new executive members.

Please come out and join us for our monthly meetings and think about taking on a role on the executive. What a wonderful way to enrich your faith and community involvement.

## MATCH UP

To put a free notice in Match-Up, phone the NRT office at 584-4161, or email <NRT@magma.ca>.

**KEYS:** Someone won't get far without these. A set of Toyota keys, complete with clicker, were found on Law Road in Chalk River during the week of August 20. From the look of them, they may have been there for some time. If you think they may be yours, drop by the NRT office at 21 Champlain St, Deep River (in the Strand building around the corner from Digital Copy Xpress).

**DVDs:** The Four Seasons Lodge at the Deep River and District Hospital is looking for DVD versions of old movies for residents to enjoy. Donations of old classics would be appreciated. If you can help, please call Lisa at 584-1266 ext 183.

**VINTAGE:** The Deep River Grannies are looking to be matched up with vintage jewellery and clothing for their upcoming Fall Fashion Show and Vintage Jewellery Sale, Call 584-2525 or 584-9090 if you have anything to donate or lend.

**YARN:** The Jabez Blanket Ministry is still on the look-out for yarn to continue making beautiful blankets for the orphans in some of the poorest countries of the world. The group will start meeting again in September and the ladies will be needing lots of yarn to keep them busy during the fall and winter seasons. They produce well over 150 blankets that are packaged in backpacks, along with school supplies and a teddy bear (called Backpacks of Hope). So, if you have yarn collecting dust, or gently used backpacks, pencil cases and comforting teddy bears. Call Claire Kennedy at 584-2083 (clairemk@live.ca) to arrange for pickup, or call Lydia Mancini at 584-3404 for more information about this group.

**BABY BLANKETS:** The Rotary Club of North Renfrew is continuing to collect baby blankets and baby clothes for distribution at a maternity hospital in El Salvador, where most children are born to very poor mothers who cannot even afford a blanket to wrap their babies in when they are taken home. Donations of blankets and baby clothing can be delivered to Log House Fabrics or dropped in a collection box at the Deep River or Laurentian Hills town hall.

## Ceramic artist

CONTINUED FROM PAGE 5

Not only an accomplished ceramicist, she also gave a great presentation, with excellent slides, interesting facts and details, personal anecdotes and good humour.

This is also amazing, since she will readily confess to being terrified of public speaking until two years ago, when she joined Deep River Toastmasters!

See Carol's work at the Deep River and Area Artisans' Co-op on the highway.

And don't miss the juried "Art on the Lawn" fine arts and crafts show at St. Barnabas this Friday and Saturday, September 7-8.

## Letters: Hill Park

CONTINUED FROM PAGE 5

A new small parking lot near the playground should make it easier for parents to get their children to the new the playground, while some new benches should enable parents and others to rest and enjoy the view.

The DRESG solicits comments from all interested citizens. If the new installation proves popular, the DRESG hopes to sponsor other improvements to our parks.

Your enthusiastic support, financial and otherwise, will be essential for such initiatives.

## Simple and easy

Re: "The saga of Summer Street," letter, NRT August 29.

The simplest and easiest solution to both the town and the residents of Summer Street is to have a swinging barrier with a padlock, the key of which to be held by public works and opened by the grader operator summer and winter when needed.
