

Valley arts co-op: soap maker

CONTINUED FROM PAGE 7

She encourages every one to engage in regaining your skin's terrain and natural flora by lathering yourself with her 100 per cent natural, plant based hand-crafted soap and soaking up her ultra-nourishing

skincare creations.

Not only will they appeal to your senses – they will leave your skin soft, clean, healthy and naturally nourished.

In summary, what Corinne does at her business, the Savvy Soaperie, goes much further than skin deep.

It's about contributing to your total health, reducing the amount of harsh chemicals being absorbed by your skin and entering your entire body.

As Corinne uses 100% pure essential oils in her products, it's about treating your skin and the Earth equally well!

When we don't use harmful chemicals on our bodies, they don't get into our skin, our water, our streams, our rivers and our lakes.

Together we can be healthier and we can make a difference!

For a local touch, try her Deep River Scrub – a soap bar with addition of sand from Deep River beaches.

Be sure to visit the Artisans Co-op to see a wide selection of her products, along with paintings, pottery, woodworking, jewellery, glass, knitting and other fine art and crafts.

The co-op is open daily from 10 am - 5:30 pm and is located at 33373 Highway 17 West, next to the Deep River Outfitters.

We look forward to sharing the peace of Christ with you at our 8 & 10 am services of Holy Eucharist.

**St. Barnabas
Anglican
Church**

This Sunday, December 4, is the second Sunday of Advent and is symbolized by lighting the candle of Peace in the Advent Wreath.

The Holly Tea & Bazaar is over for another year, but the third annual Nativity Scene display continues each evening from 7-9 pm until Friday, December 2, and Saturday, December 3 from 2-4 pm.

This year's display has been expanded to include angels and we have a flock of 118!

The creativity of our 47 nativity scenes is truly amazing: miniature, glass, wood, antique, paper, fabric, knit, ceramic, felt and even paper clips and Lego!

All are welcome and we encourage you to bring family, friends, and co-workers to this unique and free event.

All are invited to fellowship and good food at the Advent Potluck Lunch on Sunday, December 18, after our 10 am service. Each family is asked to bring a main course or salad to be shared.

After lunch, there will be a longtime Anglican tradition called the "Greening of the Church" when we set up the Christmas tree. Come and join the fun and be amazed at our beautiful church when we are done!

If you are unable to attend Sunday services, you can still be with us by listening to recordings of Rev. François' homilies on our website at www.dr-stbarnabas.ca.
