

The Deep River Gallery (DRG), located inside town hall, has for some time now been trying to figure out a way to exhibit stained glass. With the help of the town's public works department, that task has been now been accomplished. Mayor Joan Lougheed, right, joined with local artist Carole Pinard in hanging two of her pieces to start the ball rolling.

To put a free notice in Match-Up, phone the NRT office at 613-584-4161, or email <NRT@magma.ca>.

KNIFE: A small, stainless steel Zippo knife with the engraving of a pike on it went missing somewhere along the boardwalk at the Deep River pier last week. It has great sentimental value to its owner so if you've found it, please call 613-584-3813.

GREEN CONE: If you have a green cone that you might have found packed away in your garage or garden shed, and would like to get rid of it, please call 613-584-2215. Green Cones were originally made available by the North Renfrew Recycling group years ago - the Green Cone is a "reducer" rather than a composter. Also, if you do not have a Green Cone but would like one, please call the same number above.

WAGON: A local resident is looking for a wagon, either garden or kids, to help with yard cleaning. The wagon would be used to put tools into and haul them or take away waste. If you have an old or unused wagon you would be willing to donate, please phone 613-584-3519.

BINOCULARS, FOOTBALL: A pair of compact "Opteck" binoculars in a carrying case, and a mid-size "Kampro Blitz" black football were picked up recently at the Deep River campus. Both items have been turned in to the NRT and may be claimed at the office at 21 Champlain St. For more information, call 613-584-4161.

KEY: A Honda key on a silver fob with the letter "R" on it was found May 2 on the road near Grouse Park in Deep River. It has been turned in to the NRT office, where it awaits its owner.
